

[Sponsorship Opportunities](#)

It is now possible for companies and individuals to sponsor the popular Brokers Open listings on our website www.ModelHomeServices.net.

For over 10 years Model Home Services has provided this important service at no charge to the real estate agent community in Northern Virginia.

The Broker's Open Listing Service is Simple and Free!

Every Tuesday in the Northern Virginia area, agents that wish to introduce and promote new listings to other agents host open houses specifically for other agents. The challenge in the past for agents was getting the word out. There are some flyer services, but they are expensive and require substantial lead time. We continue to expand our service to other parts of the Metropolitan area.

Our service is free and gives agents the ability to enter new listings (and make changes) by simply filling in an on-line form. They can do that anytime from anywhere!

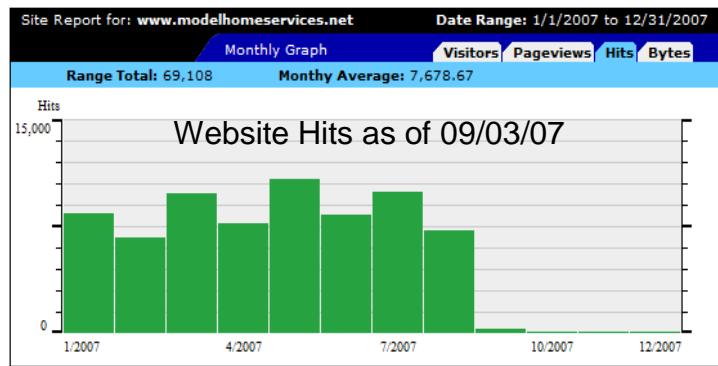

Each Tuesday it is as simple as printing off the Brokers Open Reports, which are conveniently organized by area. This can be done at home or in some cases by the office manager for the broker and then distributed to each agent in the office.

Sponsorships are Featured Prominently!

The sponsor's name is prominently displayed on our website for any agent to see, as well as on the cover pages of the Brokers Open Report and each individual page of the Report.

Great Exposure to Top Agents!

Our website has promoted over 5,000 open houses over the years. This year alone we have promoted almost 1,000 listings with prices as high as \$8 million. The site has been used by over 1,000 agents. These are some of the most active and productive agents in the area. We have averaged over 7,500 hits per month for this year.

Sponsorship Levels

You can be a sponsor for a year, a month or multiple months. You can even have industry exclusivity with your sponsorship (only available for a year sponsorship). With industry sponsorship you can be assured that no one else with whom you may compete will also be able to sponsor the Reports. For example, if you are a title company, we will accept no other sponsorships from title companies during your sponsorship period. The same is true for lenders, home inspectors, pest control companies, etc.

Other Information

If you have a logo we will be happy to include that in your sponsorship and in the Reports. Simply send your logo to us. If you do not have a logo, send us your business card and we will scan it in to place on our website. We are also happy to link your website with ours.
